Definitions

Maple League course: A course that is offered by one of the 4 participating universities with online, remote or distance availability for students from one or more of the 3 other participating universities to register and 'attend'.

Host university: The university delivering a Maple League course.

Home university: The university where the student is registered in an academic program.

Maple League visiting student: A student from one of the Maple League universities (home university) attending remotely/online a course offered by one of the other Maple League universities (host university).

Acknowledgement

- I have consulted with my home university's academic advisor / program advisor / departmental or program chairperson regarding the academic requirements of my program.
- I acknowledge that the statements contained in this application are true and accurate to the best of my knowledge.

Consent

- Checking this box shall indicate my consent to the release of personal information and academic record information contained in my admissions or student records with the Maple League universities to the following bodies in the exercise of their mission:
 - Student associations recognized by the Maple League host university for the categories of student to which I belong (limited to name, contact information, and program information);
 - Schools or colleges that I have attended;
 - A professional body or corporation, where relevant;
 - Respective provincial educational ministries as well as Citizenship and Immigration Canada;
 - The AUCC (Association of Universities and Colleges of Canada), the ARUCC (Association of Registrars of the Universities and Colleges of Canada) and the BCI (Bureau de coopération interuniversitaire, previously known as CREPUQ) or the member institutions of these organizations, for the purpose of admissions operations and the production of statistics;
 - Libraries of other universities with which the Maple League host university has established reciprocal borrowing agreements;
 - The appropriate authorities involved with external or internal funding of my fees (financial records may also be disclosed to such authorities);
 - Offices involved in enrolment management including, but not limited to, Recruitment, Admissions, Students Records, Residence, Deans and departmental Chairpersons, and the Vice-President/Vice-Principal Academic, for the purpose of measuring and managing the student experience;
 - Other universities and colleges, at the discretion of the Maple League host university, if any information connected to my application is determined to be false and misleading, concealed or withheld, contains evidence of academic dishonesty or inappropriate conduct;
 - Regulatory authorities, law enforcement or other persons, as authorized or required by law; and
 - Maple League host university communication services for the purposes of listing my institutional e-mail address in an online e-mail directory.
