

## 2020-2021 FEES

The Student Accounts Office (University Hall, 1<sup>st</sup> Floor) serves as the collection point for all university fees and charges. This office cannot make adjustments to any fees without the permission of the appropriate department.

### Payment of Fees

All fee calculations are made at registration without prejudice and are subject to confirmation and adjustment at a later date. In addition to the handling charge for any cheque returned, the return may result in cancellation of enrolment. Applications for Canada Student Loans (CSL) must be made two to three months prior to registration and through the Student Aid Office of the Department of Education in the province of permanent residence.

Students financing their education through scholarships or through external sponsors must present proof of this at registration or, failing this, must make prior arrangements to enable payment of amounts required at registration. Late arrangements for payment will result in interest being charged. Enrolment may be cancelled for non-payment of fees. Fees for each term are due and payable prior to or at registration.

### Full-Time Students (9 or more credit hours in a term)

1) A full-time student registered for the full Fall/Winter academic year may pay fees in two installments as follows:

### Non-Credit Courses

If a student is registered in less than 9h of credit and is therefore considered part-time, the student will pay a per course fee for any non-credit course for which they are registered. The price for a non-credit course would be the same as that of a credit course. Students registered in this manner will pay the differential fee in the same manner as other part-time students.

### Fees 2020-2021 – Graduate

#### Full-time and Continuing Fees for Graduate Students

Tuition for all graduate students (except MEd) is based on either a 1-yr or 2-yr program fee requirement. In the unusual situation where a student completes their graduate program early, tuition for the full program will still apply. Students who do not complete within the program period will be charged a continuing fee for each additional semester that they are registered.
